# It's So Easy to Use Your WorldMark® by Wyndham Discovery Membership.

## Just follow these five easy steps:

### 1. How much?

Know your allotment of Vacation Credits. The amount is printed on your agreement. Please see the WorldMark Discovery program guidelines in the back of this guide (pages 80-83) for details.

### 2. Where?

Find a resort that you'd like to visit in this guide (pages 16-76), and the size of the accommodations you'll need based on the number of people in your party.

### 3. When?

Determine your preferred vacation dates. The Red, White and Blue seasons denote the high-, medium- and low-demand periods of time at each resort.

### 4. Call!

Our Vacation Guides will provide an immediate reservation confirmation if your preferred vacation is available, or provide you with other options.

### 5. Start packing!

You're about to have one of the best vacation experiences of your life.

“When we became WorldMark owners, it opened up a world of vacationing that we never had before. And, really, it made the difference between us being able to vacation and not being able to vacation.”  
– Deanna Harris, WorldMark owner since 1994

“In all honesty, I can’t imagine what our life would have been like without our WorldMark ownership. We bought in 1995 and have enjoyed so many wonderful vacations that would never have happened otherwise.”

– Ricky Lawler, WorldMark owner since 1995

**Blue Skies, Beaches and Choices Galore.** San Diego is a city alive with exciting things to see and do. With year-round sunny weather and more than 70 miles of beaches, this seaside community is perfect for outdoor recreation on land and on sea. At the edge of downtown lies WorldMark San Diego - Balboa Park, within easy access of public transportation, highways and all the trappings you'd expect of a vibrant city: high-rises, pedestrians at every hour, hustle-bustle, sporting events, lively nightlife, fine dining, corner cafés and top-notch cultural offerings.

**Resort Fun.** WorldMark San Diego - Balboa Park is right in the middle of the action. A short walk will take you to beautiful Balboa Park — the nation's largest urban cultural park — or the always lively Gaslamp Quarter. Completely renovated three years later in art deco-style, the resort has become an owner favorite. A rooftop terrace is ideal for taking in city and bay views. Hang out, sip a drink or enjoy conversation with friends and family. But don't get too comfortable — the beaches and world-class attractions are calling for you.

**Plenty of Pleasures at this National Treasure.** WorldMark Galena, located just seven miles from downtown Galena in Northwestern Illinois, puts you at the heart of one of our nation’s historic treasures. The town, a former 19th-century mineral hotspot, still retains its rich pioneer spirit and history, with roughly 85 percent of its buildings on the National Register of Historic Places. It’s also a modern vacation mecca with award-winning golf, shopping and park adventure — second only to Chicago as the most-visited Illinois destination. If you relish a vacation with both outdoor adventure and fascinating history and culture, Galena promises you a captivating experience.

**Resort Fun.** You’ll feel the charming blend of retro lodge warmth and modern luxury the moment you step into the lobby at WorldMark Galena. The common area and floor-to-ceiling brick fireplace are made for reading and chatting. Your unit includes a private deck plus master bath jetted tub. The resort’s amenities are conveniently housed in one building, including indoor pool, game room and fitness center — a big benefit during winter. In warmer months, the dual brick barbecue area is quite popular. You’ll find fun times in the owner’s lounge and game area — from the big-screen TV to arcade, pool and Ping-Pong.

**Natural Wonders and Coastal Charm.** The Oregon Coast — where sea-stacks rise from the misty ocean and colorful kites dance in the wind — is the perfect place for your next beach vacation. WorldMark Gleneden is perched high on a bluff overlooking the Pacific Ocean. You can spend hours lounging on the beach or take as many short drives as you like to the shops, restaurants and cultural attractions in the shoreline towns of Newport and Lincoln City, considered the Oregon Coast's number one family destination.

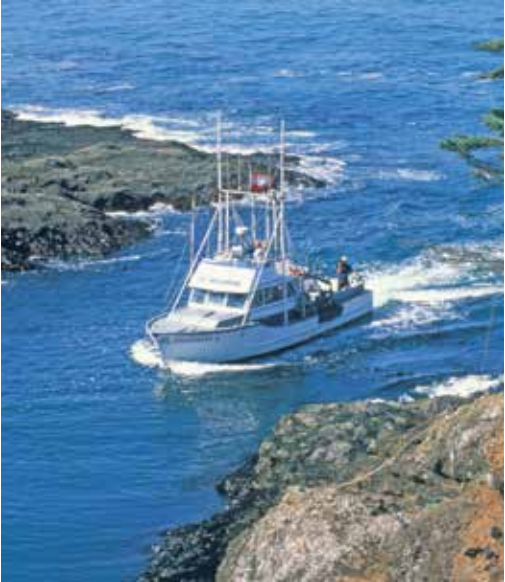

**Resort Fun.** The relaxation begins when you approach this secluded resort along a tree-lined boulevard bordered by manicured gardens. You'll be impressed with the way the elegant-looking buildings blend artfully with the coastal environment, their earth-toned colors matching the fine sandy beaches and rustling grasses. A perfect spot for taking it all in is the lobby, with its river-rock fireplace and views of the hot tub and pools. When you're ready to join in the popular pastime of watching waves, you have plenty of choices. Head out to your private balcony, down to one of the comfy lounge chairs by the heated outdoor pool, or along the trail to the beach. It's a show that never ends, and you have front-row seats for every performance.

**Oregon’s Best Beachside Paradise.** As the official end of the Lewis and Clark Trail and the oldest coastal city in Oregon, Seaside lives up to its name: an oceanfront charmer that transports you back to the warm, nostalgic era when smaller, friendly beach towns dotted our nation’s coastlines. Most consider this spot to offer the finest ocean swimming and waterfront views in the state. Not all the fun is old-fashioned — there’s a ton of shopping, dining, sightseeing and activities, too. Consider this your idyllic spot for a romantic getaway or the quintessential family beach vacation.

**Resort Fun.** If you seek complete relaxation, you’ll find it at this charming property, whether you’re curled up by your fireplace or dining *alfresco* on your private deck — complete with barbecue grill. A hundred yards of golden shoreline sit right in your backyard, ready for your sunning and swimming pleasure. WorldMark Seaside also pampers you with modern amenities like a business center providing computers with Internet access, covered parking for your vehicle, a fitness center, heated outdoor pool, two hot tubs and a heated children’s pool with beachside entrance. Children also love Seaside as there’s lots of kid-friendly fun, including an arcade game room and a recreation room with pool tables, foosball, air hockey, Ping-Pong and a large-screen TV.

**Retreat in Red Rock Country.** Surrounded by cactus gardens, sandstone spires and rich pioneer history, this desert sanctuary takes you far away from ordinary life. Amid a dramatic, vividly colored landscape sits the booming community of St. George in Utah’s southwest corner. Zion National Park is only an hour from St. George, the sight of its massive blood-red cliffs looming over a lush valley nothing short of awe-inspiring. Two hours to the east sprawls the surreal beauty of Bryce Canyon National Park. With Las Vegas 120 miles to the southwest, the resort puts you in the middle of it all.

**Resort Fun.** Above the city, at the top of a winding drive, WorldMark St. George provides a restful escape within 15 minutes of town. With its abundant activities and views of red rocks and distant mesas, the resort could be considered a destination in itself. The free-form pool is kept at a soothing 85 degrees in every season for your soaking pleasure. A nook at one side of the pool is sheltered by a rocky overhang and a waterfall. The children’s pool, bubbling hot tub, horseshoe pits, shuffleboard court, playground and recreation center round out the fun. This resort is also a favorite among golfers, drawn by 12 great courses within 15 minutes of each other. The green of all these links is especially striking against the surrounding red rock.

The Wasatch Mountains also offer snowshoeing and cross-country skiing. In summer, the snow retreats and they become home to every mountain sport imaginable. And don't forget the lively shopping, art galleries and performing arts in nearby Ogden. WorldMark Wolf Creek is your perfect home-base for a breathtaking vacation.

**Resort Fun.** As you approach WorldMark Wolf Creek through twisting Ogden Canyon, you'll be rewarded with refreshing views of the valley, Wasatch Range and beautiful Wolf Creek Golf Club, which surrounds the resort and has been rated one of the top five courses in Utah by the Utah Golf Association. This scenic mountain course overlooking the Pineview Reservoir is a quiet, undiscovered gem with immaculate conditions. When you're not facing these challenging greens, play some tennis, volleyball or racquetball. Then finish your day at the resort's expansive swimming complex, complete with a large outdoor pool, two hot tubs and a wading pool.

**A Taste of Bavaria.** With its charming German-styled architecture, authentic schnitzel and the mountains tapping on its shoulder, Leavenworth looks as if it could be in the middle of the Alps. Instead, you'll find this charming little homage to Bavaria in the majestic Cascade Mountains of Washington, about three hours from Seattle. Bavarian shops line Front Street, selling cuckoo clocks and lederhosen, while only a few miles away the breathtaking Icicle Creek area is filled with trails leading to sheer climbing cliffs and alpine lakes. Spend your days skiing or snowmobiling during the winter, hiking during the summer, or strolling the town's shop-lined streets. Experience all of this and more while visiting WorldMark Leavenworth.

**Resort Fun.** WorldMark Leavenworth is one mile from the village along a wide, marked trail across from Blackbird Island, set in the middle of the Wenatchee River. You'll enjoy two seasonal outdoor pools, three year-round outdoor hot tubs, a clubhouse with games for the kids, and the tennis and sport courts. Plus, you're sure to appreciate the convenience of a gas fireplace in your living room and a gas grill on your private balcony or terrace, as well as a fully equipped kitchen.

**Go Fly a Kite.** With its powerful coastal winds and wide sand beaches, Long Beach is an ideal place for kite flying. In fact, it's so ideal that the World Kite Museum and Hall of Fame is located here, along with the annual kite festival. The area is also home to numerous state parks, hiking paths and trails. Found along the southwest corner of Washington, Long Beach Peninsula boasts 28 miles of captivating, rock-strewn coastline and thrashing surf. In fact, the only thing separating WorldMark Long Beach from the raucous Pacific Ocean is a chain of gently rolling dunes and a boardwalk — and a beach you can actually drive on.

**Resort Fun.** When you're not jogging the boardwalk, shopping in downtown Long Beach or flying a kite, you can relax or play at WorldMark Long Beach. Each spacious unit features a gas fireplace and terrace or balcony. Plus, you can enjoy full access to the game room, recreation and fitness centers, and business center. In the mood for some outdoor water fun? Head to the pool area, which includes a hot tub, a children's pool and a large main pool, as well as a barbecue area. The beach is easily reached from this central courtyard, with the ocean beckoning just beyond the dunes.

**Downtown Delights at Your Doorstep.** Built in 1926 as a residential hotel and expanded in 1962, The Camlin is truly a treasure in downtown Seattle. Its rooftop sign is a city landmark and, along with the building’s façade and lobby, is on the National Historic Register. Located two blocks from the Washington State Convention Center, across from the magnificently restored Paramount Theatre and just steps from Seattle’s vibrant Sixth and Pine retail district, WorldMark Seattle - The Camlin puts this charismatic city right at your doorstep. Or venture beyond the city for outdoor adventure.

**Resort Fun.** Before entering the WorldMark network, The Camlin had a long and distinguished history in downtown Seattle. Over the years many celebrities passed through its elegant lobby and spent time in the lounge that once filled the top floor. Meticulous effort has gone into retaining the charm that once made the building a beloved fixture in downtown Seattle while bringing in modern comforts to make your stay memorable. Take some time to relax in the hot tub and enjoy the camaraderie of the activities center. For more invigorating pursuits, don’t miss the pool and fitness center.

**Old Mexico Feel, Modern Pleasures.** Enjoy beautiful seaside play at WorldMark Coral Baja, located at the end of the Baja Peninsula where the desert meets the sea — just three miles from the quieter of the two Cabos, San José del Cabo. You'll find the area reminiscent of a traditional Mexican village with 18th-century architecture, tree-lined streets and plenty of local color and spirit. While the surroundings reflect a quainter culture and time, this resort's amenities assure you all the modern vacation choices you expect from a top-rated property.

**Resort Fun.** You'll find nicely appointed units that include private balconies: a prime place to celebrate the breathtaking sunrise or sunset you'll discover each day. The large outdoor pool complex is particularly beautiful with a tanning pool and swim-up pool bar ready to serve you. If golf is part of your plans, the resort's nine-hole putting green is great for a quick practice run before you hit fairways nearby. When the mood strikes, walk along miles of unspoiled beaches, or simply gaze at the beautiful Sea of Cortez from any of several resort vantage points. The resort runs a weekly schedule of organized activities for the whole family to enjoy. When hunger hits, the on-site restaurant satisfies. Head over for good food at great prices, live music, incredible ocean views and weekly Mexican Fiesta nights.

# Frequently Asked Questions

***When can I start using my Vacation Credits?***

The Use Year Start Date listed on your Membership Agreement can be immediate or up to 6 months from the date of purchase, depending on when you meet the minimum financial requirements for travel. You are eligible to request reservations up to 13 months in advance of your requested check-in, so it is not necessary to wait until your Use Year Start Date to begin vacation planning.

***What is the significance of my “Use Year Start Date” and “Use Year End Date”?***

You may travel during the 12-month time period between the Use Year Start Date and Use Year End Date listed on your Membership Agreement. This time frame indicates when you are eligible to travel using your credits. Please note that since all travel must be completed by the Use Year End Date, we may contact you periodically to assist you in vacation planning as we want to ensure that you receive maximum utilization of your credits.

***If I want to travel before my Use Year Start Date on my Membership Agreement, what do I need to do?***

Just call us! Contact the WorldMark by Wyndham Discovery Planning Center and we can assist you with meeting the minimum financial requirements needed for travel eligibility

***If I meet the minimum financial requirements early and I choose to travel before the Use Year Start Date listed on my Membership Agreement, will it affect the Use Year End Date?***

Yes, if you meet the minimum financial requirements in advance of when they are due and make travel arrangements prior to your Use Year Start Date, your Use Year End Date will now be 12 months from the date you made your reservation.

***How far in advance should I request my vacation?***

The sooner the better, as all reservations are based upon space availability. In fact, we can get started during your initial activation call! As a rule, holiday, summer and special event time periods require more advance planning than other times. Members may begin confirming reservations beginning 13 months in advance of the check-in date.

***When is the best time to call?***

Although we always answer member calls as quickly as possible, we do experience the greatest call volume on Mondays, the days following holidays and late in

the afternoon, Pacific Time. Remember most of your servicing needs can be handled through one convenient toll free number, 877-968-7397.

***What if I need to correct or update my personal information?***

Just give us a call and we will update our records. Please be aware that some changes may require additional legal documentation. In order to maintain the confidentiality of your records, we only allow members who signed the Membership Agreement the ability to request reservations and related benefits.

***Do I receive all the same benefits as WorldMark owners?***

Most features and destinations included in the WorldMark Vacation Ownership Program are also available to WorldMark Discovery members. We welcome the opportunity to discuss the many benefits of WorldMark ownership during one of your upcoming stays at our resorts!

***How strict are the occupancy levels?***

Occupancy levels are strictly enforced. Due to safety, fire and legal requirements, you are allowed the maximum number of people to occupy the unit.

***Why are there some WorldMark properties that WorldMark Discovery Members cannot travel to?***

Since your Membership is a trial membership program, our goal is that you will purchase a WorldMark timeshare interest and join the WorldMark Vacation Ownership Program. The WorldMark Discovery resorts available for you to travel to are those that have the resources to further explain WorldMark ownership and benefits.

***How can I get more credits?***

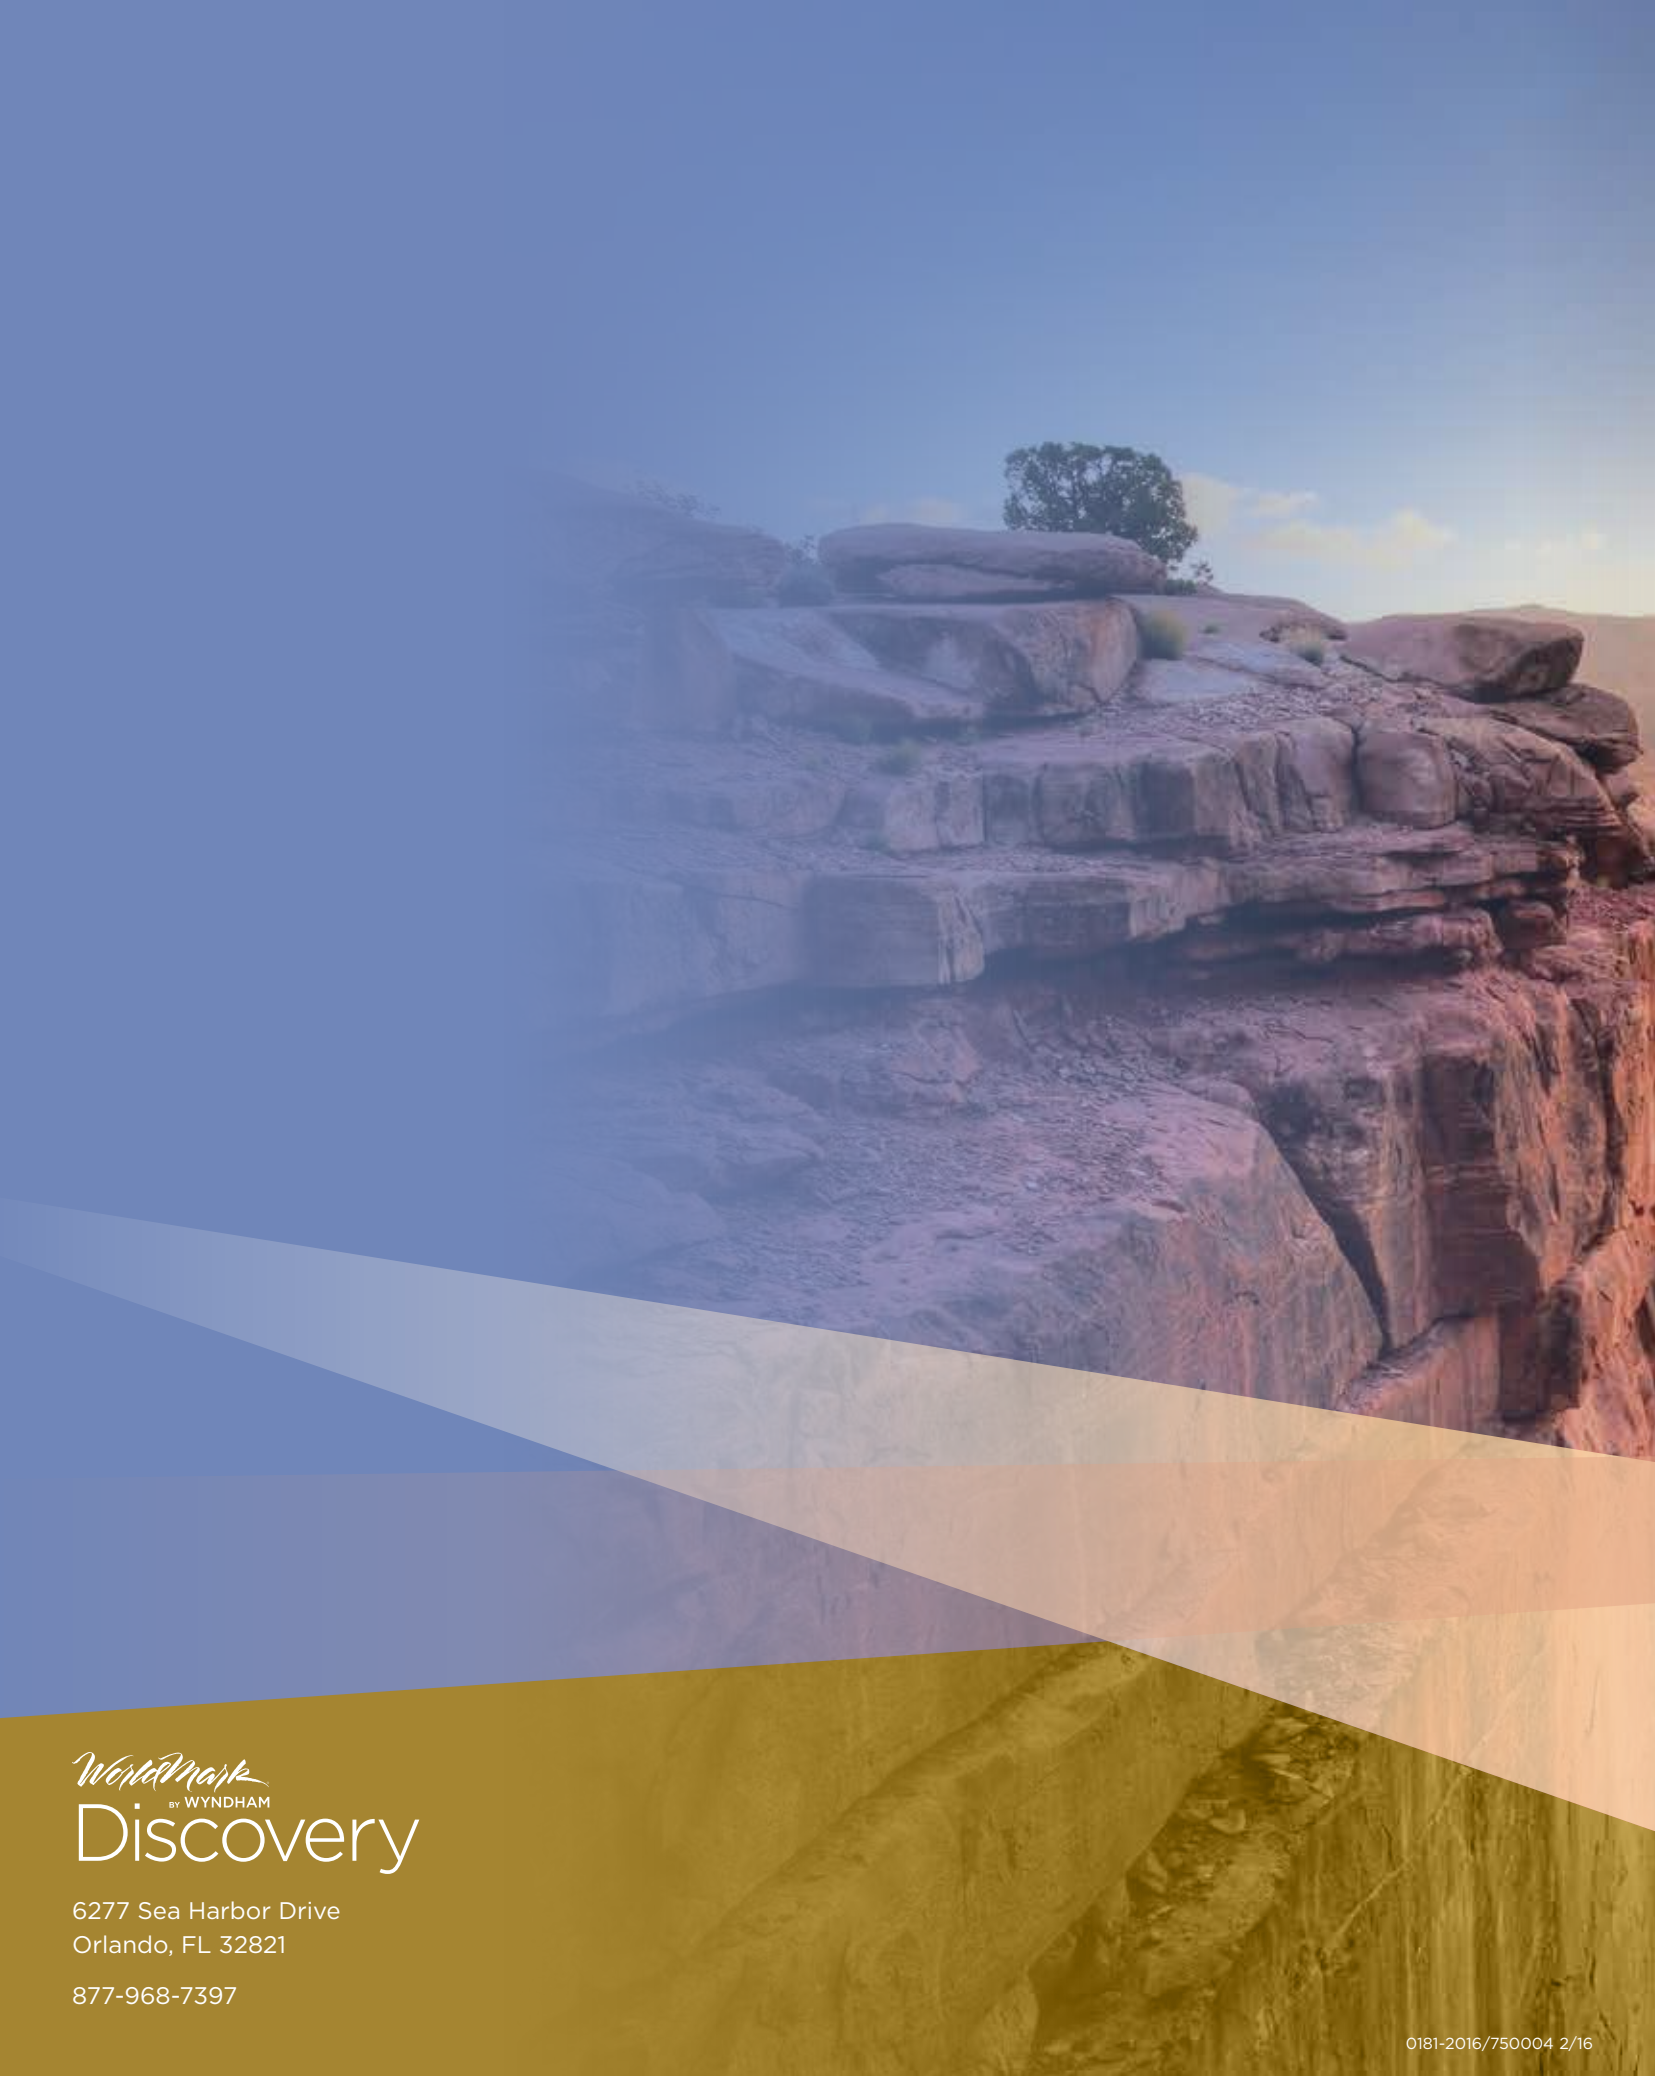

You have two opportunities to receive more credits. You can receive more credits by purchasing a WorldMark timeshare interest and joining the WorldMark, The Club or you can rent additional credits. You may rent up to the amount of WorldMark Discovery credits you originally purchased.

***Can I check availability and book reservations online?***

Due to the unique program rules and benefits of the WorldMark Discovery package, reservations cannot be booked online.
